

FOR IMMEDIATE RELEASE

Lutheran Haven in Oviedo, Florida, announces the dedication and grand opening celebration of the Landings at Lutheran Haven, on January 17, 2019. The dedication will be held at 3pm in the community Fellowship Hall with Rev. Waldemar Vinovskis, SELC District President and Rev. Dr. Wally Arp, Senior Pastor of St. Luke's Lutheran Church presiding. The dedication will be followed by a ribbon-cutting ceremony and open house from 4pm to 6pm in the Landings.

The Landings is a new 76,983 square foot multi-story building with 48 new homes for older adults. The building includes an amenities and convenience center that houses a restaurant and café, concierge services, salon and spa services, library and wellness clinic available to all residents of Lutheran Haven. The project was funded through the Lutheran Church Extension Fund, designed by SFCS Architects of Roanoke, Virginia, and constructed by Lecesse Construction Services of Orlando, Florida.

Lutheran Haven is a ministry of the SELC District of the Lutheran Church Missouri Synod. Founded in 1948 through the generosity of Andrew Duda, Sr. the provider of both land and initial startup funding, Duda's vision was to build a community where Lutheran ministry professionals could live upon retiring. Today, Lutheran Haven provides a full continuum of services for older adults including retirement housing, assisted living, memory care, skilled rehabilitation and nursing, and certified and private home health services.
